

Demand Forecasting for Managers (Paperback)

Filesize: 7.11 MB

Reviews

Comprehensive manual for ebook fans. I am quite late in start reading this one, but better then never. Its been written in an exceptionally basic way and is particularly merely soon after i finished reading this publication in which really changed me, affect the way in my opinion. (Prof. Antone Olson II)

DEMAND FORECASTING FOR MANAGERS (PAPERBACK)

To download **Demand Forecasting for Managers (Paperback)** PDF, you should access the web link listed below and save the document or have accessibility to other information that are have conjunction with DEMAND FORECASTING FOR MANAGERS (PAPERBACK) book.

Business Expert Press, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Most decisions and plans in a firm require a forecast. Not matching supply with demand can make or break any business, and that's why forecasting is so invaluable. Forecasting can appear as a frightening topic with many arcane equations to master. For this reason, the authors start out from the very basics and provide a non-technical overview of common forecasting techniques as well as organizational aspects of creating a robust forecasting process. The book also discusses how to measure forecast accuracy to hold people accountable and guide continuous improvement. This book does not require prior knowledge of higher mathematics, statistics, or operations research. It is designed to serve as a first introduction to the non-expert, such as a manager overseeing a forecasting group, or an MBA student who needs to be familiar with the broad outlines of forecasting without specializing in it.
