Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. American patriots are now called "white nationalists" but it's bogus. Capitalism relieves misery and brings people out of poverty--it's the single greatest thing for liberty. But since the sixties communist thinking was forced on us law abiding, decent folk loving freedom and liberty. The liberals are actually fascists though they seem so amiable. Is your wife a democrat--does she believe in (hasn't walked away from) infanticide and things like that? In WWII women were the best Nazis and in Russia they were the most ardent communists--yet you trust? Trump's the only one NOT a fake on the take. The rest are bought and sold--their rhetoric is fake. Let Donald Trump be your exemplar--it's all about business, contracts and life as a WAR. Liberal contracts: it's all situational ethics--what they want. It changes too, as they taunt.
